

REVIEW HONORS 40 LAWYERS AS 2013 RISING STARS

The Daily Business Review congratulates the 40 young Florida lawyers chosen as 2013 Rising Stars by a panel of DBR judges.

Our panel carefully reviewed more than 125 nominations of attorneys 40 years old and under who have established themselves as top contributors to the practice of law and their communities, and are in a position to become tomorrow's top lawyers and leaders.

Profiles of all the Rising Stars will appear in a DBR special section on Wednesday, Sept. 18, and an event honoring their accomplishments will be held that night from 6 p.m. to 9 p.m., at the Bankers Club in downtown Miami, One Biscayne Tower, Biscayne Room, 14th Floor.

For those who wish to attend the event to honor the Rising Stars, please contact Andre Sutton at asutton@alm.com or (757) 721-9020. The event's main sponsor is Ice Legal.
